About Us

Global Rahmah Foundation (GRF) is a non-profit organization that operates across different geographical locations in Africa, Asia, North America and the Middle East.

GRF is dedicated to providing humanitarian aid and alleviating the suffering of disadvantaged communities. Our core focus areas include: Emergency & Relief Projects, Sustainable Development, Orphan Sponsorship & Social Livelihood Projects.

Global Rahmah Foundation maintains full ownership and transparency in delivering aid and fulfilling projects with integrity.

Our Mission

We believe that by centering on the multidimensional aspects of aid, we can provide immediate relief as well as long term solutions for people in need all over the world. For over 10 years, we have been providing both short-term and long term humanitarian relief to populations affected by conflict, humanitarian disasters, and insecurity. Your commitment to our values will help to make our mission a reality. After all, it is your generosity that makes the work we do possible aid.

What is a Deployment?

Deployments with GRF are a unique opportunity that allows you to interact with the communities you have worked hard to fundraise for. By traveling to the country and giving out aid yourself, you have the opportunity to witness firsthand the profound impact of your efforts.

When you are on the ground delivering humanitarian aid, you will get a glimpse into the challenges faced by these communities and gain a deeper understanding of their harsh reality. As you provide aid to the community, you will feel grateful knowing that your efforts are fostering positive change and bringing hope to those in need. You will witness how your contributions are transformed into critical resources that allow communities to flourish.

We aim to recruit and mobilise groups of passionate individuals who are committed to making a meaningful impact. Volunteers are provided with full support, guidance and direction by our highly experienced and professional teams on the ground.

Deployment Activities

GRF deployments are a week long, including your travel to and from the country of deployment. You will receive details about your travel arrangements 4-weeks prior to your departure. This includes your flight details and hotel bookings.

GRF has planned various fun and engaging activities for its volunteers going on deployments. The activities you will do are dependent on the country you choose for your deployment and current projects GRF is implementing in the country at that time of the year. The best activities will be decided by the experienced GRF team on the field. Rest assured, your deployment will be both fulfilling and enjoyable, offering plenty of opportunities to connect with the local community.

Each GRF deployment is meticulously planned to ensure you are fully prepared and informed before entering the field. This includes training sessions with GRF staff prior to your departure and again upon arrival to the country. You will always be accompanied by the GRF team, who will support you throughout your journey.

Our Reach

GRF is committed in its mission to provide humanitarian aid to those most in need across the globe.

We implement diverse projects that foster sustainable development and produce long-term and reliable benefits to local communities.

 **We Operate in
25 Countries**
in the Middle East, Asia and Africa.

We believe this stands testament to the growth and dedication of our teams in the UK and on the ground to demonstrate unwavering efficiency and capability in planning, managing and executing programmes and projects with the necessary impact.

Fundraising Target

In order to offer a comprehensive humanitarian aid experience, GRF requires volunteers to raise a minimum amount of £5,000 before deployment.

Reaching Target

Set your goals higher than just meeting the minimum fundraising target. Invite your friends and family to join you on your journey to make a positive impact and exceed your goals.

Be innovative!

Tried and tested methods include gathering funds from your close circle but there is so much more you can do! You can team up with your friends and go for street collections, organizing a sponsored challenge, selling homemade goods, hosting a fun day, or running a car wash - the possibilities are endless!

Use the power of Technology!

Embrace technology and create an online fundraising page to reach a wider audience. We suggest using our platform, which you can sign up for on our website, to create your fundraising page!

Increase Donations by 25%

You can make a bigger impact on your fundraising efforts by taking advantage of the UK Government's Gift Aid scheme. When a UK registered taxpayer makes a donation to a charity, the charity can reclaim the tax paid on that donation through Gift Aid.

DONATIONS

Accurate record-keeping of all funds raised is crucial to ensure that every penny donated goes to its intended cause. Here are several ways you can make donations:

Online Pages

To make donations online safely and securely, every participant is required to set up an online fundraising page. All funds donated through these pages will go directly to the charity and will be added to your fundraising target

Cheque

You can make your donations via cheque, made payable to 'Global Rahmah Foundation'

Bank Transfer

You may deposit funds directly into GRF's account. Please inform a fundraising officer when you do so

Cash

You can hand in cash donations by arranging a meeting with a member of the fundraising team at the GRF office. Please call us to schedule a suitable time

Phone

The most direct way to submit your donations is to call GRF at **0161 302 7888** and make your payment using your credit or debit card. Please inform the team that you need the donation to go to your fundraising target for deployment
